Summit Academy Charter School Discipline Responses

- The following discipline responses must be effectuated in accordance with all the procedural requirements of Chancellor's Regulation A-443. Summit Academy Charter School follows

the strict guidelines of the Chancellor's Discipline Code and Bill of Student Rights and Responsibilities, K-12. Feel free to view the code online at <http://schools.nyc.gov> .

- Summit Academy Platinum Staff Members utilize our "Behavior Management Step Ladder" when addressing misbehavior from scholars as outlined.
- In our school culture, accumulating merits allows scholars additional privileges, responsibilities, opportunities and tangible incentives. Using this system, scholars begin to develop a sense of self responsibility and discipline.
- Severe, disrespectful or repeated infractions of the same infraction result in various consequences, such as detention, suspension, family meeting, etc.
- The teacher or Dean may remove a scholar who engages in behavior, which is substantially disruptive of the educational process or substantially interferes with a teacher's authority over the classroom, from the classroom. Removal from class will warrant either a parent phone call and it is the Dean's discretion as to which consequence(s) will be assigned.
- Infractions that blatantly disregard our behavioral expectations of scholars result in 1) In-Class/School Suspension or 2) Out-of-School Suspension.

In-School Suspension

- Scholars earn In-School Suspension (ISS) for infractions of our disciplinary code that are egregiously disruptive of the classroom learning environment or that pose a risk to the health and safety of others, such as throwing items, using inappropriate language or engaging in aggressive physical contact.
- Scholars serving ISS will be placed in an alternate location and will be supervised by a Dean or other Platinum Staff member. Scholars who are assigned ISS must complete all assignments given, including ISS skill building work and behavior reflection tasks. Lunch will be had in a separate location and the scholar will not be permitted to attend recess.
- The voice expectation for scholars serving ISS is silence. Any scholar who cannot meet the voice or behavior expectation will serve an additional day of ISS or a more severe consequence.
- Scholars who display exceedingly appropriate behavior and meet expectations during ISS may be permitted to rejoin their peers and attend the rest of their classes, strictly at the discretion of the Dean or alternate administrator. Scholars who are permitted to return will sit in the back of the classroom, but can still participate in the learning community.
- ISS typically lasts one (1) day, but scholars who are unable to meet the aforementioned expectations while on ISS may earn additional days of ISS or Out of School Suspension (OSS) depending on the severity of the behavior.
- Three days of ISS warrants one (1) day Out-of-School Suspension.
